*Attorney for Petitioner Greycliff Wind Prime, LLC*

DEPARTMENT OF PUBLIC SERVICE REGULATION  
BEFORE THE PUBLIC SERVICE COMMISSION  
OF THE STATE OF MONTANA

IN THE MATTER of the Petition of  
Greycliff Wind Prime, LLC to Set Terms  
and Conditions for Qualifying Small Power  
Production Facility Pursuant to M.C.A. §  
69-3-603

UTILITY DIVISION  
DOCKET NO. D2015.8.64

**GREYCLIFF WIND PRIME, LLC'S NOTICE THAT NEGOTIATIONS WITH  
NORTHWESTERN ENERGY HAVE CONCLUDED WITHOUT AGREEMENT AND  
REQUEST TO RE-ESTABLISH PROCEDURAL SCHEDULE**

Petitioner Greycliff Wind Prime, LLC ("Greycliff"), acting by and through counsel, respectfully notifies the Montana Public Service Commission ("Commission") that Greycliff and NorthWestern Energy ("NWE") were unable to reach agreement on the proposed avoided cost rate for Greycliff's project. The parties made a good faith effort to negotiate and have legitimate differences of opinion on the method of calculating the rate. The contract terms are mostly resolved, but there will be some remaining issues which will need legal resolution. On information and belief, Greycliff's has conferred with NWE regarding this motion, and NWE apparently agrees that it is unlikely the parties will reach agreement on the rate or the final contract terms, and that Commission resolution of the rate and contract terms will be necessary.

Therefore, Greycliff respectfully requests that the Commission re-establish the procedural schedule in this case, and schedule a hearing date and a timeline for completion of this case.

RESPECTFULLY SUBMITTED this 14<sup>th</sup> day of March, 2016.
